NOTE: ERLI students are excluded from all counts. Exchange, escrow, and readmitted students are included in the "all students" counts but are excluded from the "new student" counts. New students are comprised of First-time, Transfer, and Nondegree students who were enrolled in the fall term and first enrolled either that fall or the immediately preceding summer (session A, B, or C). Figures prior to 2014 represent a slightly different definition for new students, in two ways: (1) Readmitted students were previously included in the new student count, and (2) students who began in Summer A or C were previously excluded from the new student count.
