NOTES:

1. Worldwide part-time faculty include the entire pool of faculty--all faculty may not be currently teaching.
2. Flight Instructors are counted as staff.
3. Some staff also teach and are included in both the faculty and staff counts.
4. Worldwide Faculty: Cleanup of faculty records in 2005 to remove inactive faculty.
5. ROTC faculty counted for the first time starting in 2012.
6. Tables revised June 2014 to reflect new college/department names. Some previous departments were combined but now separate.  
New colleges were added, and some departments changed to different colleges.
