Notes and Definition of Terms

Initial Headcount (“Hdcnt”):

- Number of first-time, full-time, degree-seeking students who were enrolled in the fall term of the noted Entry Year and had first entered ERAU either that term or the immediately preceding summer term.
- Does not include transfer, readmitted, or nondegree students.
- Intended degree program is based on the intended degree program at the start of the first fall term.
- Decreases in Initial Headcount within an Entry Year cohort are due to the exclusion of deaths that occurred within the stated interval.

Tracking interval:

- Students are tracked at one year intervals, as of the beginning of each subsequent fall term.

Graduated:

- Proportion of the Initial Headcount who earned a degree at the same level as originally intended (as outlined below) within the stated interval.
- Degree could have been obtained from either residential campus (i.e. includes intra-university transfers).
- Student must have obtained a degree at the originally intended level (Associate, Bachelor). That is, if a student originally intended to get a BS, but obtained an AS while remaining enrolled as an undergraduate student, the student was counted as “Returned” until conferral of the BS (at which time the student would be counted as “Graduated”). If the student instead left ERAU after conferral of the AS, but without conferral of a BS, the student was counted as “Attrited”.
- Rates are cumulative. Once a student was counted as “Graduated”, they remained in that count for all stated intervals thereafter. That is, if a student continued taking courses at any level past conferral of a degree at the originally intended degree level, the student would only be counted as “Graduated”.
- Students who began pursuit of a combined/accelerated program while still and undergraduate, were not counted as “Graduated” until conferral of the BS degree. These students remained in the “Returned” count while still enrolled and until conferral of the BS degree. These students remained in the “Graduated” count thereafter, regardless of whether or not they continued their pursuit of the MS degree.
- ERAU Graduation Rates: Students who graduated from ERAU (regardless of degree program upon graduation) are labeled “**Grad from ERAU**”.
- Program Graduation Rates: The subset of students who obtained a degree in their originally intended program are labeled “**Grad from program**”.
