This is a BCC confirmation email

Dear Administrator,

The end of the term is approaching and ERAU will open course evaluations for all courses taught during the Spring term.

Students from focus groups conducted this spring, state that their instructor involvement in promoting the evaluations directly correlates with them completing evals. Please encourage your faculty to:

- explain the online process to their students
- promote the importance of the end of course evaluations
- describe how the results have and will be used

Additionally, you and your faculty can:

- monitor response rates LIVE from your EvaluationKIT dashboard
- download respondent/non-respondent lists for personal follow-up (must have 4 respondents before the list activates and it ONLY contains student names, id and email addresses, NOT responses)

Survey dates for the Spring administration:

- Pre-Survey notice to Students & Instructors: 4/7/11
- Evaluation opens and announcement to Students & Instructors: 4/14/11
- 1st Student reminder: 4/18/11
- Instructor reminder: 4/21/11
- 2nd Student reminder: 4/24/11
- 2nd Instructor reminder: 4/27/11
- 3rd and final Student reminder: 4/28/11
- Evaluation end date: 4/29/11
- Reports available to Deans, Chairs and Faculty: 5/12/11

Once reports are available, you can download and customize term or longitudinal reports by college, department, course and/or instructor. The link below will take you to a detailed tutorial on custom reports: <http://irweb.erau.edu/OnlineCourseEval/training.htm>

We would like to thank you in advance for your support and assistance. If you have any questions or concerns, please contact Institutional Research at ERAUeval@erau.edu or 386-226-6225.
