NOTE: ERLI students are excluded from all counts. Exchange, escrow and readmitted students are included in the "all students" counts but are excluded from the new student counts. New students are comprised of First-time, Transfer, and Nondegree students who are enrolled for this term and began at ERAU either this fall term or during the immediately preceding summer term (session A, B, or C). This is a slight change from the new student definition employed in prior years, in two ways: (1) Readmitted students were previously included in the new student count, but are now instead included in the continuing student count (as of Spring 2014), and (2) students who began in Summer A or C were included in the continuing student count, but are now included in the new student count (as of Fall 2014).
