NOTE: ERLI students are excluded from all counts. Exchange, escrow, and readmitted students are included, but are categorized as continuing, not new. New students are comprised of First-time, Transfer, and Nondegree students who are enrolled for the first time this term. This new student definition varies slightly from prior years, as follows: readmitted students were previously categorized as new, but are now instead categorized as continuing. Students in an accelerated program (typically taking both UG and GR coursework concurrently) who have not yet finished their BS degree requirements are now in the continuing undergraduate count, but will appear in a future graduate student count upon conferral of the BS degree.
