*Not provided by students, or too few students (fewer than 5) to report.

NOTE: ERLI students are excluded from all counts. Exchange, escrow, and readmitted students are included, but are categorized as continuing, not new. New students are comprised of First-time, Transfer, and Nondegree students who are enrolled for the first time in either this term or immediately preceding summer term. Students in an accelerated program (typically taking both UG and GR coursework concurrently) who have not yet finished their BS degree requirements are in the continuing undergraduate count, but will appear in a future graduate student count upon conferral of the BS degree. FTE = # of full-time students + ((sum of credit hours for part-time students) divided by 12 (if UG) or 6 (if GR)).
