Source: Institutional Research. Annual = July-June. DB/PC temporary transfer students are included in the Non-Degree counts. FTE calculation follows IPEDS methodology and is based on hours attempted across the full academic year. FTE = sum of hours attempted divided by 30 (UG) or 24 (GR). Note: Some results (prior to 2019-20) have been revised from those originally reported due to the recalculation of student status (within their UG or GR level) as of the first term enrolled during the timeframe rather than the last term.
