*Revised 4/15/22 (2018-19 through 2020-21 only).*

*Source: Institutional Research. Unduplicated headcount of enrollment for the 12-month period, July-June. FTE (per IPEDS) = sum of hours attempted throughout the period divided by 30 (UG) or 24 (GR). DB/PC temporary transfer students are included in the Non-Degree counts. Students are counted once, based on their status as of their first term of attendance during the period. Methodology changes: prior to 2020-21, status was instead based on the highest level (UG/GR) achieved during the period. Prior to 2019-20, results were originally reported based on the last term of attendance at the highest level, but were later revised (as shown here) to reflect the first term at that level.*
